

Bridging the gap from Hospital to Home...

Front Row: Ashley, Sandy, Willetta, Jill, Sandy, Back Row: Tracy, Elizabeth, Beth, Carolyn, Kristen PT Director.

Willetta was admitted to Cumberland Nursing and Rehabilitation Center April 14th, 2015. She had been a patient at ST. Joseph Hospital, London KY., under the care of Dr. Aqeel Mandviwala. Willetta had a rough winter with kidney surgery and a flair up of her chronic lung disease. This resulted in the need for extended IV Medication, Respiratory, Physical and Occupational Therapies. This highly motivated and Delightful lady is now headed home.

"I feel so much better now and I appreciate all the help I have received. I call you all My Angels because the Lord put you here to help me."

Thanks to Willetta for choosing Cumberland Nursing and Rehabilitation Center for your care. You will be missed!
